

BAMBOO

BAMBOO

NATURAL AND HEALTHY SLEEP

Boyteks presents a unique touch in mattress ticking for a perfect sleep comfort. A natural option for comfortable and healthy sleep: Bamboo! All natural bamboo is durable, breathable and comfortable. Bamboo fiber which is a regenerated cellulosic fiber is achieved from bamboo pulp. Bamboo mattress ticking absorbs moisture and dries quickly thus helping the body breathe. This mattress ticking keeps its comfort even after many years.

ADVANTAGES

- It has a very soft and nice touch
- Instantly absorbs moisture
- Has a bright look

FEATURES

-  Natural
-  Washable
-  Test Reports

FROM FOREST TO FABRIC

TENCEL™ fibers are derived from sustainable wood sources, harvested from certified and controlled sources. TENCEL™ brings the gentle essence of nature into your mattress to create a sanctuary of long-lasting comfort. TENCEL™ mattress ticking offers you long lasting natural comfort and pure living environments. TENCEL™ naturally soft to the touch with an exquisitely soft hand feel, enhancing your quality of sleep and home life.

TENCEL™ Fibers Production Process

TENCEL™ fibers have environmentally responsible process, which transforms wood pulp into cellulosic fibers with high resource efficiency and low ecological impact. This solvent-spinning process recycles process water and reuses the solvent at a recovery rate of more than 99%.

ADVANTAGES

- Sustainable production
- Long lasting softness
- Gentle on skin
- Naturally smooth to the touch
- Enhanced breathability
- Unfavorable for bacterial growth
- Supports the body's natural thermal regulating mechanism
